Thanksgiving Packages

On the week of Thanksgiving, the birds will be approximately 19 weeks old. This is in contrast to the 6 to 10 week "young turkeys" available at the grocery store. These are slow growth, nutrient dense, flavorful birds. **They will be processed and delivered fresh**. Special delivery times will be offered for most **pickup locations for Tuesday and Wednesday before Thanksgiving**. There will be no regular delivery that week. Our weight estimates are conservative, as the birds are not ready yet. If you have purchased before, then you know these birds often come in much larger. In addition to our tasty turkeys we offer a variety of fresh local items to make your holiday meal something special. Order early as supplies are limited. A \$25 deposit is required on all orders, and all orders must be paid in full at or before pick up.
