

# THANKSGIVING 2015

At Fresh Fork Market, we have everything to make your Thanksgiving dinner an all-local feast: pasture-raised turkeys, organic produce, dairy and breads, and delicious homemade pies, all from within 75 miles of your table.

## CHOOSING YOUR TURKEY:

Our **Hens & Toms** are Broad Breasted Bronze and Broad Breasted White Turkeys. These are our most popular turkeys, bred for more white meat. Hens are smaller, Toms are larger.

Our **Heritage** Turkeys are rich, and juicy, with more dark meat. The price is determined by weight at pick up. Heritage birds tend to be smaller than traditional turkeys.
